*** References in green are double-sided**

Note:
The surface layer of Gravoply™ 2 can be lasered but the engraving quality may vary depending on the colour.

You can mix any surface and core colours on demand.
Double-sided also available.

- Best value for money: good quality with a reduced budget.
- Microthin surface layer. Perfect for small characters and detailed logos.
- Wide choice of colours, ideal for your badges, ID plates & indoor signage engraving.
